

Swing Joint Assemblies

Flexible, pre-assembled swing joints that let you position sprinkler heads precisely and absorb impact.

Irrigation Products · Swing Joints

Pre-assembled flexible swing joints built from heavy-duty LDPE funny pipe, Celcon M90 funny-pipe fittings, and Marlex HDPE street ells — in 6" and 12" lengths, ½" and ¾" sizes, with one- or three-ell configurations.

Material: LDPE tubing with Celcon M90 funny-pipe fittings and Marlex HDPE street ells

Country of origin: Manufactured in Texas, USA

Compliance: Manufactured to industry standards; certification details available on request.

Features

- Pre-assembled and ready to install out of the case
- Flexible 6" or 12" LDPE tubing bends to position hard-to-reach sprinklers
- Celcon M90 funny-pipe fittings and a Marlex HDPE street ell for leak-free connections
- Available with one or three Marlex street ells for added articulation
- ½" and ¾" sizes and combinations
- Heavy-duty materials built for long service life
